

WHAT IS A BUY-IN PARTY?

A buy-in party is one of the most popular and fun item types at Spirit of Spring (SOS)! A buy-in party is an event donated to the SOS auction for a pre-determined number of people to attend. At the SOS event, people purchase tickets to buy-in parties for a fixed, per-person price. 100% of the ticket proceeds go to Nativity of Mary!

HOW TO DONATE A BUY-IN PARTY

1. Choose a buy-in party theme. Decide if the party is for adults, kids or families.
2. Determine the party details: venue, number of guests, and date.
3. Set a price per guest (>\$25 recommended).
4. Fill out the online Item/Service/Buy-In Donation form (the link is on the SOS website below).
